

Torohia

Medical Training Survey for New Zealand

Torohia
is back for **2026**,
now includes
all general
registrants

Torohia is the Medical Council's annual medical training survey that gives doctors an opportunity to share their training experiences – from supervision and support, to workplace culture and learning opportunities.

Your feedback helps improve medical training and shape a stronger healthcare system.

Learn more and download the supporter toolkit at www.torohia.org.nz or scan the QR code below for more!
